## **Hoarse Again? JFK Medical Center Hosts Free Voice Seminar**

Edison, NJ – Is your voice hoarse again? Here's a scenario. You wake up and you're sounding a bit hoarse. You shrug your shoulders and chalk it up to a slight case of laryngitis brought on by allergies. Could it be from smoking, drinking or poor speaking technique? So often, the voice is taken for granted. JFK Medical Center invites you to come to this informative seminar so you can learn how to take care of your voice so that it may serve you better! Is your voice an essential component of your work? Are you tired of losing your voice or struggling with hoarseness? Have you lost your pitch range or singing ability? Come to this informative seminar to learn how to take care of your voice so that it may serve you better!

Come to learn about the various reasons of why people lose their voice! Come find out ways to preserve and maintain your voice and get rid of hoarseness! This is a FREE seminar, so please bring your family and friends! Light refreshments will be served and giveaways will be awarded to those who attend!

Date: Tuesday, April 21, 2009  
Time: 6:00 pm  
Location: JFK Medical Center  
Speech & Audiology Conference Room – 1st Floor  
65 James Street, Edison, NJ 08820  
More Info: To register please call the Speech & Audiology Department at 732-321-7063

###

JFK Medical Center, an affiliate of Solaris Health System, is a 535-bed full-service, acute care hospital, consisting of The Anthony M. Yelensics Community Hospital and the adjacent JFK Johnson Rehabilitative Institute. Located in the heart of Edison, NJ, it has remained at the forefront of quality care in the region since its inception in 1967. Today, JFK accommodates more than 20,000 admissions, 3,000 births and 50,000 Emergency Room visits on a yearly basis. The Medical Center features a complete array of services, including general surgery, emergency medicine, mental health, orthopedics, maternity and pediatric care. It is home to the New Jersey Neuroscience Institute, Regional Cancer Center, Haven Hospice, JFK Imaging Center and the JFK Family Practice Center. Affiliated with UMDNJ -Robert Wood Johnson Medical School and Seton Hall University School of Graduate Medical Education, JFK offers residency programs in physical and rehabilitation medicine, family practice and dentistry.
